

# Wood's Market Garden Vegetable Plants - 2017

CROP				
artichoke	<p>All of the vegetable varieties we sell are the same ones we plant and grow in our own fields. They are hardy, appropriate varieties for our climate, and we strive to find disease resistant and high yielding seed for your gardening success. If you are searching for a particular variety please ask us.</p> <p style="text-align: center;"><b>Good growing!</b></p>
