Why Become A Member?

Your membership in our farm is so important...it helps us generate cash flow before our farm stand is open and to pay for our early-season costs like labor, fuel, soil, seeds and equipment maintenance. In return for your early payment, you will receive an "account" filled with your farmstand dollars which you can use to purchase anything we sell at our farm stand. As a member, **you will also receive free perks throughout the growing season (average \$30 retail value per season)**. The perks are our way of sharing the wonderful bounty from our farm with you...and come in the form of free fruit, veggies or flowers. You will receive emails announcing your perks, and it is up to you to come to the farm stand to redeem them. **PLEASE NOTE: We ask that you use up your membership dollars during the 2018 season. You can add money to your account at any time.**
